

SUPERVISOR SUPPORT FORM FOR APPLICANTS TO THE SPPH MSc PROGRAM

This form is to be completed by the Faculty member(s) and submitted to the MSc program (spph.graduate-programs@ubc.ca). Information provided will be used to help the MSc Admissions Committee assess the strength of the applicant. Information will not be shared outside the committee.

Applicant Name:	
Proposed Supervisor/ Nominated Supervisor:	
<i>Please ensure the Proposed Faculty Supervisor or Nominated Supervisor is a core faculty member at SPPH or Associate Member Faculty</i>	
Proposed Co-Supervisor:	
<i>Proposed Co-Supervisor may be an Associate Member at SPPH, Clinical Faculty Member, or other UBC Faculty member</i>	

The criteria for evaluating applicants for admission to the MSc program are:

- academic ability (based on previous academic record, including quantitative ability);
- research potential (based on the applicant's statement of intent, publications, letters of reference, and previous experience); and
- potential for specific success at SPPH (based on fit with a potential faculty supervisor, or other evidence that the student's research objectives are likely to be met within the School)

Faculty Comments

What process(es) have you used to assess the strength of this applicant in relation to the criteria above? In relation to other potential applicants?					
How have you rated the applicant on each of the following specific criteria? (Please provide a rationale and/or explanation for your rating.)					
	Excellent	Good	Satisfactory	Poor	Not assessed
Academic Ability:	Explain:				
Research Potential:	Excellent	Good	Satisfactory	Poor	Not assessed

Research Potential (continued):	Explain:				
Strength of 'fit' with your research agenda:	Excellent	Good	Satisfactory	Poor	Not assessed
	Explain:				
What level of funding can you commit to support this applicant, if admitted to the program?					
What other support can you provide to this applicant, if admitted to the program? (e.g. office space)					
Are you currently supervising any other MSc or PhD students? If yes, what year level are they?					
<i>e.g. Helen Smith (3rd year SPPH PhD)</i>					
If you are supporting more than one applicant (PhD and MSc) please list all of them and rank them.					
(Nominated) Supervisor Signature				Date	
Co-Supervisor Signature				Date
